**Gartner recognizes CedarCrestone in ERP Services  
Magic Quadrant for North America, 2007**

**Alpharetta, GA, September 21, 2007** – CedarCrestone is honored to be featured in Gartner's "ERP Services Magic Quadrant for North America, 2007". This Magic Quadrant evaluates all ERP (including Oracle, JDE, PeopleSoft, SAP, Microsoft, and Lawson) service providers and provides analysis on their ability to execute and completeness of vision.

The formal Strengths about CedarCrestone published in Gartner's ERP Services Magic Quadrant for North America, 2007 follow:

- CedarCrestone has a focused strategy centered on Oracle's PeopleSoft technologies in Higher Education, Public Sector, and Commercial. Its long standing channel relationship with the software provider, combined with a solid track record in higher education clients and traction in multi-campus implementations, has fueled current growth.
- For commercial customers, CedarCrestone has the scale in terms of size of enterprise, scope of deal and technology capability to be a credible alternative provider.
- CedarCrestone hallmark is to bring seasoned consultants with demonstrated experience. As such, clients report business acumen as a strength of the resources assigned to their respective projects.

The placement for each of the 23 companies in the 2007 Magic Quadrant for ERP Service Providers in North America is considered after extensive analysis on information, with an emphasis on direct client feedback. The full report will be released shortly on [www.gartner.com](http://www.gartner.com).
